Citi Bike Performance and Bike-sharing Industry

Citi Bike in Jersey City	Popular Stations and Routes (and their trends)	The Difference between Subscribers and customers behavi..	Financial Performance and Rider Snapshot	Revenue and Subscriber	Revenue and Customer
--------------------------	--	---	--	------------------------	----------------------

Number of Customer

The number of Day Pass customers is unstable and the number of 3-Day Pass customers decreases during this period, while the revenue from membership and users increases.

Membership is a more important factor than ordinary users to determine where the revenue is going.
